Dear Colleagues,

Greetings from IJHRMLP!

International Journal of Health Research and Medico Legal Practice (IJHRMLP) is a peer-reviewed multi-disciplinary indexed international journal and has been indexed in more than 25 indexing databases including Index Copernicus, Poland (ICV 2015: ICV 2016: 69.93) and DOI. IJHRMLP is dedicated towards the upgradation of health sciences and related disciplines.

As you might be aware, IJHRMLP, a dynamic academic group, will be hosting its First Annual National Conference and 6th academic event on the theme of “Interprofessional Collaboration: A Legal & Holistic Perspective”.

This exciting event will take place on July 7 & 8, 2017 at NEDFi’s Auditorium, Dispur, Guwahati. Many prominent national speakers, along with information-packed panel discussions will fill the agenda.

We are honored to invite you all to participate in this great event.

With Best Regards

Prof. N.C. Bhattacharyya
Organizing Chairman

Dr. Putul Mahanta
Organizing Secretary

The IJHRMLP aims at inspiring multidisciplinary research and collaboration among healthcare specialists, the experts in allied field and the healthcare industry in an exceptional way. It also provides an international forum for the communication and assessment of data, methods and findings in health sciences and linked disciplines. The journal publishes original research papers, reviews, clarifications and case reports on current topics of special interest and significance and international health news. All manuscripts are subjected to rapid peer-review and only those of high quality are published without any delay.

Journey since 2014...
- Has been indexed in more than 25 indexing databases including Index Copernicus, Poland (ICV 2015: ICV 2016: 69.93) and DOI.
- Thousands of readers and 500 members
- Strong multi-disciplinary editorial board comprising both national and international faculties
- Has Strong reviewers and advisory team comprising both national and international faculties
- ISO 9001:2015 Certified
- Journal Impact Factor for 2016: IJIF-2.121; DOIJIF 3.8571
