No. Ac/03/IEC/JNIMS/2018-PGT

Dated: Imphal. the 25th July, 2026

To,

Dr. Vijayalaxmi Laishram
PGT, Dept. of Forensic Medicine & Toxicology
Jawaharlal Nehru Institute of Medical Sciences, Imphal

Dear Dr. Vijayalaxmi Laishram

The office of the Institutional Ethics Committee, Jawaharlal Nehru Institute of Medical Sciences, Imphal reviewed your research project No.706/21/2026 version O1 submitted on 23/07/2026 entitled **"An autopsy based study on sudden natural death at a tertiary care centre."**

Decision:

The office of the IEC, JNIMS grant an exempt review to study entitled **"An autopsy based study on sudden natural death at a tertiary care centre"** as the study is based on secondary data from postmortem records and solely educational in nature.

The investigators to note the following points:-

1. All forms of identifiers are removed from collected data and strict confidentiality to be maintained for all collected information.
2. Any changes/deviation from the approved research protocol should be reported promptly to IEC, JNIMS.
3. A final report of the research project to be submitted to IEC, JNIMS after completion of the study.

Yours' sincerely,

(Dr. Joymati Oinam)

Member Secretary, IEC, JNIMS

Member Secretary
Institutional Ethics Committee
JNIMS.
